

Permit Application Number: NRS 04.034

Applicant: Dickson County (Linda Frazier, County Mayor)
4 Court Square
Charlotte, TN 37036

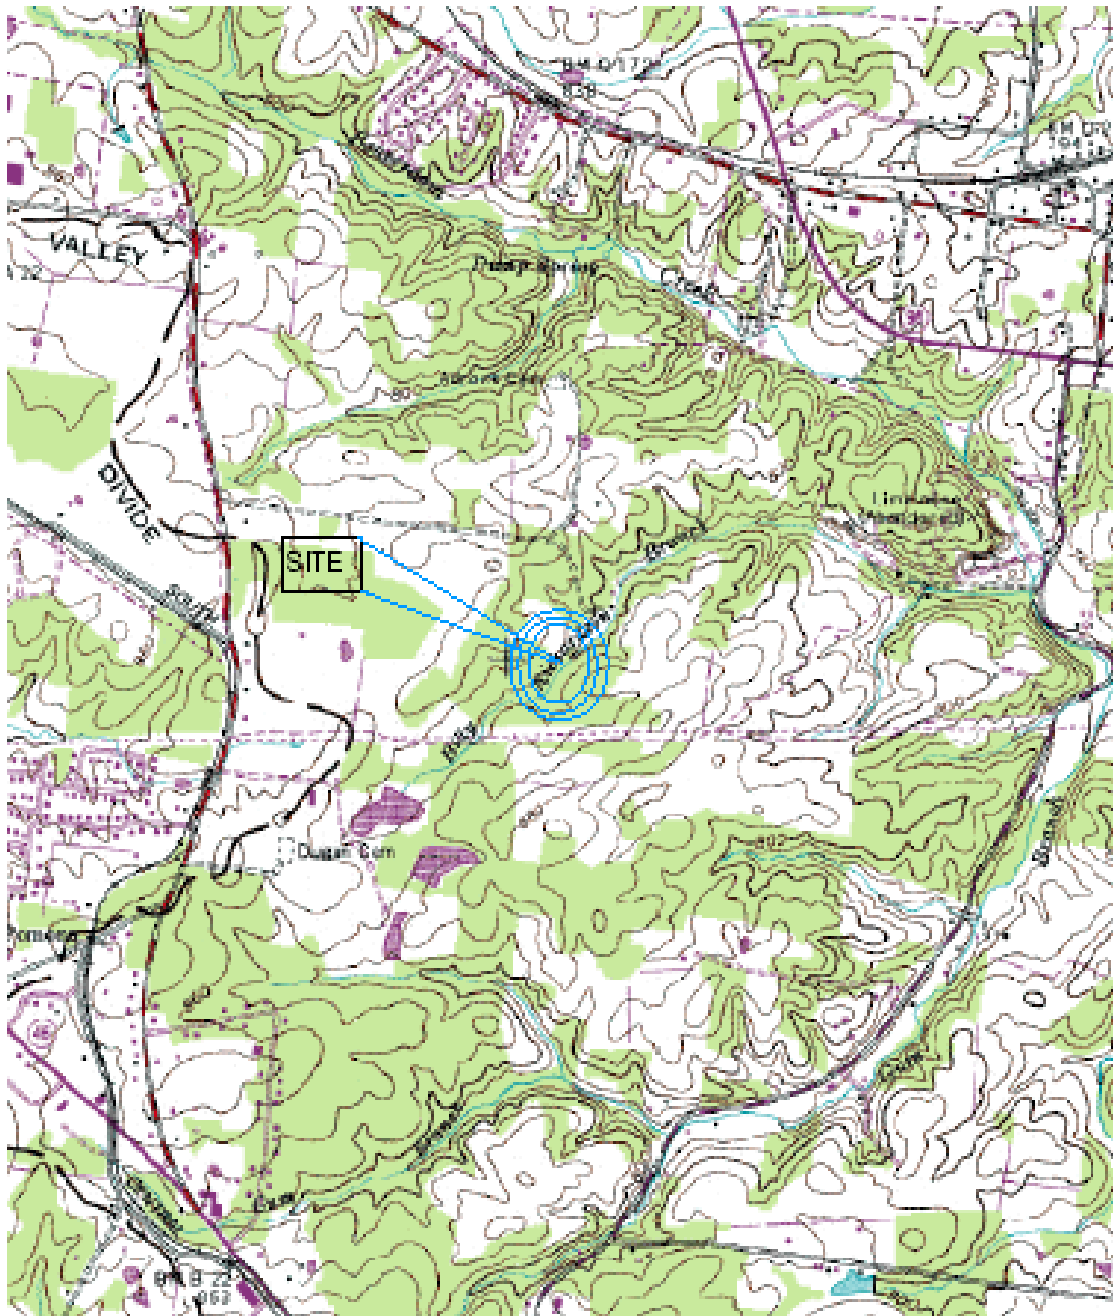

Location: The proposed project is located in Dickson 0.5 miles east of Old State Highway 46 on mile 1.5 of Billy Richardson Creek, Dickson County.

Watershed Description: Billy Richardson Creek is located in the Harpeth River Watershed (Hydrologic Unit Code 05130204). Billy Richardson Branch consists of a silty/gravel substrate with a 100% canopy cover of various tree species including Red Maple, Dogwood, Tulip Poplar, and other hardwood species. Local land use is industrialized.

Description: The applicant proposes to extend a railroad spur through the Dickson County Industrial Development Park that will involve a railroad crossing over Billy Richardson Branch through the use of a 164' corrugated metal pipe. The placement of fill in a wetland (<0.10 acres) adjacent to Billy Richardson Branch will be done also as a part of the railroad crossing. Compensatory mitigation for the loss of wetland resource values will be the debit of credits/acres through either the Dickson County Wetland Mitigation Bank or through the Harpeth Wetland Mitigation Bank.
